Type of Service Requested

- 4" sewer service; or,
- 6" sewer service; or,
- Other _____ - Please _____ explain.

Capacity and Connection Fees must be included with this application prior to the installation of any service:

- Capacity Fee (4" sewer tap) - **\$500**
- Capacity Fee (6" sewer tap) - **\$3,000**
- Connection Fee (4" or 6" sewer tap) - **(\$ County Cost + 10%)**
- Other (Determined by Fee Schedule) - _____

You may pay by **cash, check**, or **money order** (made payable to Nash County).

You may pay by **mail**.

You may pay **in person** (Nash County Administration Building - Public Utilities Department (2nd floor)).

- **Additional fees** required to be paid to Nash County are a deposit fee ranging from **\$0 to \$100** (each service) depending on your credit history.
- Also at your expense, a plumbing permit from Nash County Inspections must be secured for the plumbing work on your property to the point of connection as required by the plumbing code.
- Please verify well location, property lines & other setbacks with your contractor before work begins.
- **Submission of this application is a commitment by the applicant to the County System and is nonrefundable unless the County is unable to provide service. The tap fee and/or tap automatically transfer with sale/conveyance of property.**
- **When the sewer line becomes operational, we will start billing you monthly. If you are not using sewer at that time you will still be billed according to our fee schedule, currently \$20/month**
